Here is a better view, without that weird middle column:

Region 5	Door Progress:			Phone Progress:		
	368	400	92.00%	869	900	96.56%
Sina Black	0			0		
Dayib Ahmed	0	80	0.00%	316	180	175.56%
Wes Butler	116	80	145.00%	166	180	92.22%
Miles Cephecha	157	80	196.25%	98	180	54.44%
LaToya Fleming	0	80	0.00%	32	180	17.78%
Mortez Frelix	78	80	97.50%	118	180	65.56%
Bridget Logan	17	80	21.25%	139	180	77.22%

First, apologies for rolling out this new tool without adding the total phones. I have double checked the raw data for Region 5 and this should be an accurate report. You have 5 organizers, so anything done by you or Bridget adds to the total goal. So your team is at 32 doors and 31 dials away from the goal.
